

# CHARADES

## MATERIALS:

- Charades Cards

## DESCRIPTION:

Students act out what is written on the card.

## DIRECTIONS:

- Print the attached cards.
- Divide the class into groups
- Groups take turns acting out what is printed on the card
- The person acting out what is printed on the card may not talk or make a sound at any time.
- The person acting out what is printed on the card first reads the category aloud (i.e. place, thing, action, person, etc.)
- The person acting out what is on the card may not point to an object in the room.
- 30 seconds is given to act out what is on the card
- The person acting out what is printed on the card may hold up fingers for the number of words in the phrase being acted out (i.e. flying a kite = 3 fingers, boat = 1 finger)
